Abi Stumvoll (Bethel Church) "Things You Will Never Hear God Say"

Points to note when approaching prayer:

- You are forgiven
- You are accepted, loved and worthy
- You are qualified
- Jesus loves you
- Jesus wants to partner with you; He wants to do things with you
- He hears you
- You have authority
- He can do more than you can ever think or imagine
- He's the boss
- He loves being around you
