

Meeting Jesus: Lazarus

John 11:1 - 44

A landscape photograph featuring a vibrant green field in the foreground, a bright sun low on the horizon, and a sky filled with soft, white clouds. The sun's light creates a strong lens flare effect, with several circular bokeh spots in the upper left quadrant. The overall mood is serene and hopeful.

“I AM who I say I AM.”

Do you believe this?

Jesus is calling
your name

who me?

**What is He calling
you out of?**

Why?

**What is He
calling you to?**
