# Finding Faith in a Limitless God

## Hebrews 11:1-3, 6

1 Now faith is confidence in what we hope for and assurance about what we do not see. 2 This is what ancients were commended for. 3 By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible.

6 And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.
